FIND/PI (Family Involvement Nurturing Development/Prevention Initiative)

FIND/PI provides free home visits using Parents as Teachers curriculum. Home visits take place twice a month in your home (currently virtual due to COVID). Our parent educators will work with you to develop a schedule that works for your family. FIND/PI is dedicated to serving families who live within School Districts 15 and 25 (Palatine, Rolling Meadows, Arlington Heights) from prenatal to age three.

What takes place on a home visit?

- Parent Child Interaction through fun activities brought to your home by our parent educators
- Developmental Screenings using the Ages and Stages Questionnaires
- Exploration of Child's Developmental Stages
- Information around nutrition, sleep habits, tantrums, teething, language (baby's words), and a variety of other topics
- Connection to other community resources
